My Family Tree

1

Draw a tree.

2

Stick the photos of the family members on the tree. If you don't have photos, draw each of the family members on the tree.

3

Write the names of the family members and their relationships that your kid has learnt in the Songbook under the photos. K3 kids can try to write by themselves.

4

Hang the picture on the wall. Parent can use it as a learning poster to revise the vocabularies with your kid every day.
